

# HUSTLERS' SKI CLUB

## WHISTLER/BLACKCOMB, CANADA

### **Saturday**

SEATO SKY-highway from Vancouver to Whistler-bus driver did a great job of giving us a tour along the way

### **Sunday**

RAIN-SNOW-FOG-SLUSH

The brave skied and the cautious went shopping; great welcome party at Buffalo Bills to meet various clubs participating CMSC trip; tried Poutine for the first time (must have in Whistler)

### **Monday**

Irene had to relearn how to go thru a turnstile; rescue day for a newbie; a few of the Hustlers enjoyed the poker pub crawl in the evening-we did have a great card hand but did not win

### **Tuesday**

SNOW-SNOW-SNOW

Après Ski Party was great

### **Wednesday**

BEST DAY FOR SKIING

### **Thursday**

FOG-RAIN-FOG

This is the Big Party night that everyone participated and a good time was had by all

### **Friday**

FOG-RAIN-SUN

Another Après Ski Party at Longhorns and since it is our last evening we had to have a last call for cider and poutine; had a pizza party in trip leader's condo which was fun trading old stories from the skiers that have been in the club for a while
